## President's Message

*Carla Slabaugh*

First thing on my mind that I would like to do is I would like to send out a big thank you to all the club members that helped make this summer's Enumclaw Specialty 2013 a success by stepping up with all your hard work and your generous donations. As we all know, without all your efforts, our show would not have been quite so special. THANK YOU! Our club had to do a last minute scramble when the judge we had contracted was unable to fulfill her assignment due to health reasons but that did not seem to deter too many exhibitors as we pulled in our largest entry ever! It is wonderful to see our vizsla community growing! So as this summer specialty wraps up, our club is trying something new this fall, our first ever 2<sup>nd</sup> Specialty. It will be a concurrent specialty (one where two shows can be going at the same time) with the Whidbey Island Kennel Club. That 2 day weekend (Nov 16-17) will provide exhibitors 3 chances at points and also an opportunity to exhibit in sweepstakes. However, the show is a limited entry show and once the limit is reached, no more entries will be accepted so please do make sure you get your entries in early. Time to close out this brief note and get out there with those special red heads before winter arrives. Not only that, this is the moment to put all those hours of hunt practice into action. Hunt them up!

*~ Carla*

## Specialty Judges' Critique

I would like to thank the Puget Sound Vizsla Club for inviting me to judge the Specialty. It was an honour to judge.

I saw much strength in the breed. I especially enjoyed the Veteran Bitch classes. What great hunters they must have been and still are. They still had the drive and stamina required of a good hunter.

15 yr. old Veteran male also has stayed in my memory. What impressed was his enthusiasm to still 'perform'. It was not as graceful as 10 years earlier but think how many breeds can have longevity in their lines to do that today. In my opinion not many.

The quality that I considered of prime importance was an alert, muscular and athletic dog. I found this is most of the classes. My other qualities that I looked for included: Temperament, Type and Soundness. I am happy to say I found these qualities in most of the dogs. I believe the majority of them were strong and structurally built to work in the field.

I was especially interested in rewarding dogs that were excellent type. For me that meant I was looking for a dog that was not only showing typical characteristics of a Vizsla but was in sinewy and muscular condition. It also meant I was looking to reward those that demonstrated a far reaching and graceful gait. I found these qualities in most of the classes. The dogs I examined were conditioned and structurally sound. Colour of coat was well within standard and most were well within ideal size. My best of breed winner was in my opinion a beautifully presented and conditioned dog that excelled in movement. He moved smoothly with a far reaching and graceful gait.

I believe strengths within the breed were structure and condition. I noted typical heads with good ear sets, strong muzzles and well open nostrils. Most had correct bites. Rears were strong but fronts as in many breeds could be improved. Shoulder layback and length and layback of upper arm continue to be something that requires continuing attention. I always look for the ideal angle of shoulder blade and angle of the upper arm. Length of upper arm should ideally be equal in length to the shoulder blade to allow for good extension. Something many breeds are striving to achieve.

Be proud of your accomplishments.

Thank you again for the honour.

~ Margaret Jones

Enjoying the Specialty!

### *Five Canine Heroes Honored with AKC Humane Fund Awards for Canine Excellence (ACE)*

**New York, NY** – The AKC® Humane Fund celebrates the loyalty, devotion and strength dogs share with us by announcing today the winners of the 14th annual *AKC Humane Fund Awards for Canine Excellence (ACE)*, which commemorate five hard-working dogs that have made significant contributions to their communities. The awards are presented in each of the following five categories: Exemplary Companion Dog, Law Enforcement, Search and Rescue, Service and Therapy. This year's winners include a Newtown therapy dog and an active amputee that helps wounded warriors overcome their own injuries.

"The dogs honored by the ACE have contributed immeasurably to the lives of individuals and communities across the country, and with so many great stories, it's difficult to choose just one recipient in each category," said AKC Spokesperson Lisa Peterson. "We're proud to award these five deserving dogs with AKC Humane Fund Awards for Canine Excellence."

All the ACE recipients will receive \$1,000 to be awarded to a pet-related charity of their choice and an engraved sterling silver medallion presented at the AKC/Eukanuba National Championship in Orlando, Florida on December 14, 2013.

This year's ACE winners include:

#### **Exemplary Companion Dog: "Bart," a Vizsla owned by Darcy Hodges of Brooks, Georgia**

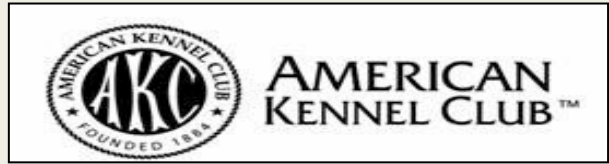

Bart was only three years old when he developed a limp during hunt and field season. After x-rays revealed 80% of his scapula eaten away by cancer, Bart had his entire front left leg removed. Only four months after his amputation and three weeks after completing chemotherapy, Bart earned his Senior Hunter title and continued to the Master Hunter level, earning that title ten months later. Bart and Darcy were also invited to visit with soldiers from the Wounded Warrior program. Recently, nearing his eighth birthday, Bart ran fast and hard during a guided hunt with the Wounded Warriors, inspiring soldiers that had returned home without all of their limbs but were overcoming their battle scars.

## AKC News cont.

### **Therapy Dog: "Drago," a Spinone Italiano owned by Lauren Friedman and Chris Sweetwood of Milford, Connecticut**

Drago, a "do-it-all" Spinone Italiano with more than 1,000 therapy visits to his credit, faced a challenge like no other in Newtown, Connecticut last December when his therapy skills were called upon after the shooting at Sandy Hook Elementary School. Lauren and Drago immediately headed to Newtown, a chaotic scene full of shell-shocked local residents. They spent nearly every day until January at the Crisis Center that was set up at Reed Intermediate School, providing love and support to those who needed it. Drago accompanied kids and adults into counseling sessions, and spent time with children who were doing crafts and activities while their parents were busy with chaplains and psychologists. Lauren and Drago still visit area schools today.

### **Service Dog: "Tuesday," a Golden Retriever owned by Capt. Luis Carlos Montalván of New York, New York**

Luis and Golden Retriever Tuesday were partnered through the Educated Canines Assisting with Disabilities (ECAD) facility in New York after Luis returned from two tours in Iraq with a spinal cord injury (SCI), a traumatic brain injury (TBI) and post-traumatic stress disorder (PTSD). From retrieving things Luis needs so that he doesn't have to strain his spinal cord injury to gentle nuzzles that return Luis from horrible flashbacks caused by his TBI and PTSD, Tuesday has given Luis back his life. Tuesday and Luis also inspired Senator Al Franken to co-sponsor the Service Dogs for Veterans Act (SDVA), which is leading to scientific evidence proving the efficacy of assistance dogs to mitigate many disabilities, including psychological ones.

### **Law Enforcement Dog: K9 "Zeke," a Belgian Malinois handled by Cpl. Tyron E. Meik of the Harrisburg (Pennsylvania) Police Department**

Earlier this year, Cpl. Meik and Zeke were called to assist a nearby police department. An armed suspect had allegedly stabbed and shot at an individual, then turned the gun on police before fleeing into an area close to an elementary school and busy suburban shopping area. Zeke was shot in the neck by the suspect upon discovery as he attempted to protect the officers. Even with a bullet lodged inside of him, Zeke held the suspect until there was no longer a threat to police. Bleeding from his gunshot wound and going into shock, Zeke was air lifted to an emergency veterinary hospital to undergo surgery. Zeke has since made a full recovery and has returned to active duty.

### **Search and Rescue Dog: "Jesse," a German Shepherd Dog owned and handled by Susan Condreras of Riverhead, New York**

For the past five years, Jesse has served her community and surrounding communities by deploying on multiple searches in arduous terrain. Snakes, ticks, steep cliffs, swamps, extreme weather conditions, fox, bears, and gunshots have all threatened her safety while she has diligently searched for missing people. After a recent injury and difficult rehab period, Jesse made it back to work looking for the missing. On her first search back, she found a hunter alive in the swamps of New Jersey.

## Brags!

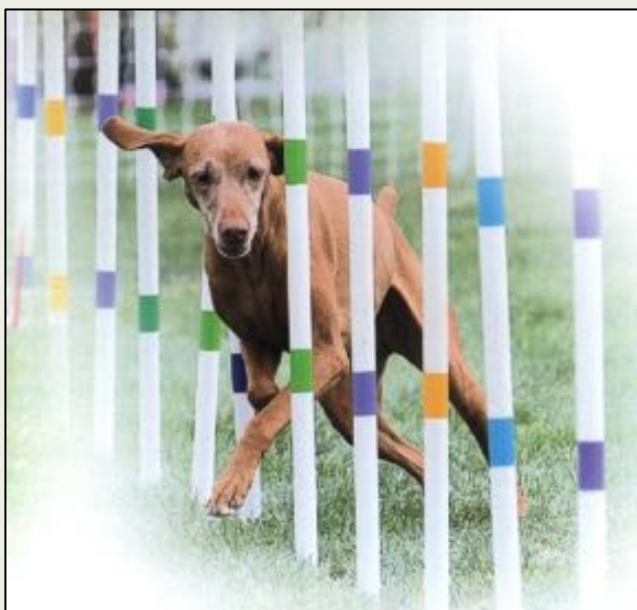

**Jagger** earned his Silver Grand Championship award this year. To get this award the dog must earn 200 GCH points.

GCH Poquito's Oro Jag in Pursuit JH RN OA OAJ XF was awarded Best Veteran in Breed at the Rainier Sporting Dog Association show. He then proceeded to earn a Group 2 when competing against all the other breed Best Veterans.

Congrats Jagger!

**Pip Jaseni's He's Pip CD** received both his Novice Agility and Novice Agility Jumpers titles over the summer! Pip enjoys going to agility trials and agility and obedience classes, making it fun for all of us. Pip is a **Jagger** and **Ruby** baby and creates quite a presence in the household of Dee Smiley and Tonya Gisselberg.

### CH FANTAZSA'S CLASSIC CHENILLE RA OA OAJ NAP NJP NF CGC

(CH BON'S GOLDEN BOY K.O. JH x FANTAZSA'S COUNTRYSPORT)

After earning her very first agility title last year at the age of 8, **Chenille** made her Excellent Standard & Jumpers agility debut this summer but took a brief hiatus when her breeder/owner/handler Pam Hidaka was sidelined with a knee injury in July. They returned to the agility ring in late August to earn Chenille's 7th agility title in FAST, and look forward to more trials this fall and winter. Chenille is currently ranked #8 nationally in the VCA 2013 Top 10 Agility Open Class. Chenille also earned her Novice Trick Dog title along with her son Tyger, and has also been having fun practicing for more Rally fun.

Ceelo and Pippa continued on to earn another leg toward their CAA titles while Tyger turned his attention toward bird-related fieldwork. The Triplets are trained by their breeder/owner Pam Hidaka.

In addition to earning his CA title along with his littermates Ceelo and Pippa this summer, **Tyger** also completed his RN title in 3 consecutive rally trials. Other highlight of the summer was going Best of Winners for a 5-point major at the PSVC Specialty Show in August. In September Tyger took a 3rd Place in a competitive Open Derby stake in his first field trial, and followed that up the next weekend going Best of Winners at the Gig Harbor Kennel Club show. Tyger also earned a Novice Trick Dog title earlier this year.

## More Brags!

Sokoldalu Vizslas is proud to announce **Brock** finished his Novice Agility Standard Agility title and Novice Jumpers with Weaves title over the 4<sup>th</sup> of July weekend. He decided he wasn't ready to stop there and went on to do 3 more qualifying runs in the next level of Open Jumpers with Weaves to earn his first Open Agility title. ### *News from Dezertfyre Vizslas*

Introducing new **AKC and International Champion Dezertfyre's Blue Ice, CGC, BN!** **Lucy** earned her AKC Championship with a 5 point major at the Puget Sound Vizsla Club supported entry. She earned her Int'l Champion with two Best in Show Bred By Exhibitor.

Not to be outdone by his sister **Dezertfyre's Wild Blue Yonder Maverick** went Reserve Winner's Dog at Puget Sound Vizsla Club specialty and again the next day at the supported entry. Maverick was with his new handler... Mike! A month later he earned his first Major going Best of Winners at Wenatchee Kennel Club show.

**Crush GCH Dezertfyre's Crushed Ice, CGC, RN, BN** earned his first leg of his CD by going High in Trial at Puget Sound Vizsla Club Specialty!

**Crush, Lucy and Maverick** were bred and owner handled by Mike and Sheila Wald.

## More Brags!

Caleb & **Rusty** showed at the Columbia County Fair, where Rusty was named Champion and Best in Show. He took 1<sup>st</sup> place in Obedience, Rally and Agility and also won Judges Choice.

Congratulations Caleb & Rusty!

Rusty is owned and loved by Tanya and Caleb Breaux.

**Lela**, our first Vizsla and venture into the Sporting Dog World has been EXCITING! Starting this spring with a trip to Nationals, Lela garnered placements in Futurity, Sweepstakes, and Regular puppy classes.

Upon returning home and with limited showing, she finished her championship at 11 months of age with a major and Best of Opposite! Lela also began her specials career achieving her first Grand Champion points at the Rainier Sporting Dog Association show with a 5 point major against 11 bitch specials! Later that day, she went on to be awarded Best Field/Gun dog.

To top the summer off, Lela competed in her first NAVHDA test and earned a Prize II! The North American Versatile Hunting Dog Association is an organization that fosters and promotes good hunting dogs and its goals are to teach the owners to train their own dogs.

We worked hard for several months to prepare, and to have her perform and earn a Prize II on a very hot day and fully in season was more than we expected!

All of her wins have been owner handled. A big "thank you" to the judges that have awarded our girl with these honors, to Mary Gaudio for encouraging us to bring this girl home, and the Puget Sound Vizsla Club for welcoming us "newbies" into the world of these remarkable RED DOGS!

### Fall Fever

Hat's off to the PSVC for another successful event, our *first of two* 2013 Specialty shows! Congratulations to those who earned titles and a big thanks to all the volunteers that made it possible - now get ready for Round 2 in November!

Speaking of Round 2, I'd like to introduce the newest pup to join our family, Remi. She's four months ripe now and her inquisitive and determined personality is beginning to shine. Bird training has already started and we're looking forward to next year's AKC & NAVHDA hunt tests. Big Sis Zephyr loves having a live-in playmate, but loves having her very own lawn even more... we moved back in August. Needless to say it's been quite a busy summer and I'm ready for the Fall!
