President's Message

Summer has been busy and HOT already! We started out with a bang (pun intended) at PSVC's annual hunt test. Great turnout of members and attendees. Lots of new titles were earned despite temperatures being pretty warm for this time of year. A few weeks later Mike and I headed to Oregon for the TEVCO specialty. Our sister club did a great job and I highly encourage you to attend if you get the chance. On a personal note it was very special to witness the specialty winner also winning Best in Show! That doesn't happen often for Vizslas, add in it was a Vizsla owned by a PSVC member, bred by PSVC members and out of PSVC member's dogs, that's pretty hard to top! Dee and the show committee have been busily preparing for PSVC's Summer specialty. While its likely to be hot, it should also be terrific fun. With the unseasonable warm temperatures this summer, we should all be taking care to look out for our Vizsla kids, keeping them inside where its cool as much as possible. When you are outside, keep them off the hot pavement, keep them cool with misters, sprinklers and kiddie pools, keep them hydrated and keep them out of your hot car. I know my dogs are enjoying some great swimming on the rivers this summer, hope you and yours are getting in some fun in the sun!
