President's Message

What a great turnout we had for our annual meeting in Puyallup. Thank you all who turned out for this important meeting. We had several key issues to decide and when making important decisions having good representation from the membership is critical. It was a full day with a lot of activities so I appreciate the great attendance. I am pleased to announce that membership chose to hire Ms. Kathy Rust to judge our August Specialty in 2016! Ms. Rust of Kizmar Vizslas is a well respected breeder judge who is honored to judge for us and we are thrilled to have her. In addition our board of directors and officers have all returned for another term. I appreciate their service over the past year and am excited to see what the new year holds. Taking a moment to review 2014 our club experienced significant growth in many ways. Not only did our membership grow but we offered some new activities that were successful and well received. We had great representation at the VCA Nationals, put on a wonderful handling seminar by Andy Linton, two successful specialties and terrific turnout for our hunt test. I want to thank the membership for their involvement over the last year, we had a wonderful amount of volunteers, many new to the club taking on significant roles, and some longtime members stretching themselves to take on new responsibilities. What a delight to have so many hands making light work for organizers. Kudos to all! 2015 promises more growth, we voted in 5 new families and read the application for a 6th and recently premiered our new web site!

*NPR's recent story With Rescue Dogs In Demand,
More Shelters Look Far Afield For Fido*

By Stephanie Smith

Tuesday January 6, 2015

NPR's recent story *With Rescue Dogs In Demand, More Shelters Look Far Afield For Fido* covered the growing number of dogs being transported across state lines for resale and rescue in other parts of the country.

In areas like New England, the Northeast, the Northwest and the Great Lakes, stringent spay and neuter programs as well as the strong involvement of rescue groups have reduced the number of dogs and cats needing new homes.

As a result, shelters can't keep up with the demand for of rescue dogs. Many of them are now importing dogs from other areas of the country and even other parts of the world to adopt out locally.

Patti Strand, director of the National Animal Interest Alliance, calls this process "retail rescue," which concerns the NAIA and the American Kennel Club on several fronts:

The interstate dog trafficking business is unregulated and often inhumane. No one really knows how many dogs are imported from other countries or transported across state lines each year -- it's not tracked or regulated by the U.S. Department of Agriculture (USDA). Van loads of sick and dying transport dogs have been in the news and many of the dogs have health and temperament issues that make them poor risks for placement. Out-of-area dogs have introduced distemper and parvovirus into receiving shelters.

Irresponsible placement of these dogs leads to poor owner retention, with many of these transported dogs ultimately landing in Northern shelters. Dogs from out of state can also saturate the local marketplace, displacing the local dogs or leading them to be put down.

Rabies, a disease that is nearly always fatal in people after symptoms develop, has been imported into the United States via dogs available for rescue and shelter distribution from countries like Iraq, India, Thailand and Puerto Rico. Post-exposure treatment for humans exposed to rabies is extensive and can be very expensive for local health departments.

Shelters who use the import business model are simply unregulated pet stores, not subject to oversight of the USDA.

We encourage AKC constituents to leave polite comments on the article here citing their concerns about the issues that arise when dogs are trafficked like this. We thank NPR for reporting on this critically important issue.

At *Eastwind Boxers & Vizslas*, Tom and I are proud to announce our first Vizsla Grand Champion:

Lela Ch Kelby Creek's Spirit of Kilauea JH

She earned her final and last major during the Whidbey Island Kennel Club Show Saturday November 15, 2014! Since we did not enter her in our Fall Specialty as Tom and I were show chair's, we were hoping that she could start the new year with this new title. Thanks to Amie McLaughlin and her expertise, [Lela](#) finished in style with her 4th, 5 point major.

[Lela](#) & Amie

She is now taking a break for awhile to be a Momma Dog. [Lela](#) was bred to Baroque Vizsla's [Mojo GCH Renaissance Kiss's Casanova JH](#) and puppies have arrived. This is a collaborative breeding between Greg & Dennise Dutson and Tom and I. We are very excited!

Here's to a fun and exciting New Year with our Red Dogs!

~ Gale & Tom Shay

From Sokoldalu Vizslas ~

Riker and Carla Slabaugh traveled to Orlando, FL in December to compete in not only the AKC's National All Breed Conformation Championships but also the INVITATIONAL ONLY event of the National Owner Handler Series Finals. Here is **Riker** winning the best Vizsla for the AKC's National Owner Handler Series Championship and also another photo of him winning Best of Breed in one of the 3 shows leading up to the championships. Many of the nation's top campaigned dogs were there competing and this year the show had their largest entry ever with over 4,100 dogs entered in conformation alone. **Riker** did well the whole time he was there taking a couple Best of Breeds, a Select Dog, and a couple Group Placements in the National Owner Handler Series competitions PLUS... he also earned his Silver level of his Grand Championship on his first day there. We barely needed a plane to get home... we could have just floated!!!

Sokoldalu Vizslas is proud to announce the addition of **Zona** to the pack. **Zona** comes from **Brock** GCH Am/Int'l Ch *Sokoldalu*'N'Tierah's Total Power Package CD BN RN JH OA OAJ CA CGC and **Hottie** Int'l CH *Sokoldalu*-N-Jaybren's Radiant Fyre RN JH. She was born September 15th and lives full time with her co-owners Rosemary Hodges & Tony Johnston. **Zona's** registered name is *Sokoldalu's* B'Rockin Haut Huntress and she will be making her show debut in Albany for the 4-6 month puppy competitions. Rosemary and Tony also plan to pursue field titles on **Zona**. We couldn't be more excited about this addition!

Sokoldalu's newest Champion is **Reba**!!!! **Reba** finished her Championship in Monroe at the show before the PSVC specialty on the same day. She finished her championship by having a fantastic run of 7 straight wins with one of her majors going Best Opposite over specials and the last at the Monroe show. She is now known as Am/Int'l CH *Sokoldalu's* Fancy Won't Let Me Down by Tierah CA CGC. **Reba** is co-owned by Kathy Gilbert.

JUST IN... *Sokoldalu's* youngest girl out **Sola** BA *Sokoldalu's* Sunkissed Eyecandy by Tierah CGC takes Best of Winners at the Rainer Sporting Dog Specialty under Vizsla Breeder Judge Britt Jung. What an honor to have **Sola** chosen as BOW at a specialty by a vizsla breeder out of the Bred by Exhibitor class! We could not be more excited about this win! **Sola** is co-owned by Gaelyn Krauser and Sam Chew.

TEVCO/PSVC Meet the Breed booth at the Rose City Classic Show

Special thanks to the following members that came to work the booth: Jill Brennan, Paula and Dan Craig, Bob Doyle, Greg Dutson (taking picture), Roxanne Lie, and Eleesa Markham. Fun was had by all and we had many Vizsla's and one Toller who thinks he is a Vizsla.

Tex, after 15+ Winner's Dog placements, and 15+ Reserve Winner's Dog placements, FINALLY finished his championship in Portland by going BOS over seven male specials! When he finally decided to finish, he did it with a flair!!

Kelby Creek's Rosetta Almondine was Top Producing Dam for 2013 from her first litter of five puppies. Based on that same litter, she has just obtained enough points to qualify for her ROM. I am so proud of her and her babies!

~ Mary Gaudio

My Zephyr turns five this Valentine's Day, and each year I sit back and reflect on all the fun we've shared together. Even with a little salt on her chin, she is still the wiggling puppy. Saturday mornings curled up on the sofa together is what I look forward to all week long. On the hunt, she and Remi work as a team. She has truly been a blessing and enriched my life.
