## President's Message

*I want to thank all the members who have made our Hunt Test in June and our Summer Specialty successful, as well as the members who participated in these events! These events would not be possible without your participation and volunteer efforts! That said, congratulations on all our members successes in Agility, Barn Hunt, Scent Work, Lure Coursing/FAST CAT, Obedience/Rally, Conformation, and Hunt Tests/Field Trials! We are a membership that enjoys all that our Red Dogs can do!!*

*In the blink of an eye, summer has flown by and we are looking at beautiful fall weather replacing the hot, dog days of summer! With the changing of seasons comes a new hunting season with our dogs and the opportunity to test out all the training that members have been exposing their dogs to. If you are new to hunting or hunt tests, now is a good time to network with those members who have experience in training and testing to give guidance and/or refer you to hunt trainers who have experience with Vizslas as a hunting companion.*

*For those looking at conformation opportunities there are a number of shows still open or coming up this fall: Cashmere, Boise, Ridgefield, and Monroe. Don't forget our PSVC Fall Specialty, Saturday, November 17th, held concurrently with the Whidbey Island Kennel Club All Breed Show in Monroe.*

**REMINDER: NEXT meeting is a phone conference call, and will be held October 9th, 6:30 -7:30 PM. Please try and call in for this meeting as we are in need of a nomination committee for 2019 club officers and Judges Committee. Members will receive instructions from the club secretary for this meeting.**

*Tom Shay*

## DIY Dog Treats: Pumpkin Sweet Potato Bites

These gluten-free treats are made with *(full recipe below)*:

**Brown Rice Flour** – This gluten-free flour is simply ground up grain brown rice. Adding it to your dog biscuits will give them a mild nutty flavor, which compliments the other ingredients in this treat.

**Sweet Potato** – Sweet potatoes provide a nice serving of fiber, key vitamins, and various minerals. When feeding them to your dog, make sure they're unseasoned *(or seasoned with dog-approved spices/herbs)*, peeled, cooked, and mashed.

**100% Pure Pumpkin Purée** – Pumpkin is considered a superfood for our canine cuties. It's loaded with fiber, making it great for digestion and weight management. Plus, pumpkin also contains potassium and a moderate amount of protein. *\*This isn't to be confused with pumpkin pie filling, which contains sugar and spices that aren't good for dogs.*

Yields 127

### Ingredients

- 1½ Cups Brown Rice Flour
- ½ Teaspoon Cinnamon
- 1 Cup Mashed Sweet Potato
- ½ Cup 100% Pure Pumpkin Purée
- ½ Cup Water
- 1 Egg
- 1 Teaspoon Organic Maple Syrup

### Instructions

Preheat oven to 350°F.

Line 2 baking sheets with parchment paper. Set aside.

In a large mixing bowl, whisk together brown rice flour and cinnamon.

In a separate bowl, mash sweet potato.

Add pumpkin, water, egg, and maple syrup to sweet potato and mix until thoroughly combined.

Add wet ingredients to dry ingredients and mix together with a spoon until you're left with a thick batter.

With your fingers, pinch off a small amount of the mixture (approx. ¾ teaspoon) and roll into little balls. Place the balls on the baking sheet, spacing them about an inch apart.

After treats are placed on the baking sheet, take a fork and flatten the little balls to around a ¼" thick.

Bake at 350°F for 20 minutes.

\*Flip them over and continue baking another 10 minutes.

Transfer to a wire rack to cool.

### Notes

Store in refrigerator for up to a week in an airtight container and in freezer for up to a month.

For crispier Pumpkin Sweet Potato Waffle Fries, continue baking until desired consistency.

What's happening at Eastwind Vizslas:

Fun in the Sun at TEVCO, PSVC Summer Specialty, and Vizsla Canada Nationals:

Eastwind's Red Baron came out for his first show as a 7 month old and garnered a nice Reserve Winners Dog from the 6-9 month puppy classes at the TEVCO specialty! Love this dog's temperament, as he seemed to enjoy all the busyness of this beautiful venue. Baron's next time out as a show dog was at our Summer Specialty, where he again took a nice RWD and the next day at Olympic Kennel Club a 4 pt major! Looking forward to what this boy can do in the coming months!

Our Boy, Mani, GCH Can Ch Kelby Creek's & Eastwind's Over the Moon JH, finished his Junior Hunt title at our PSVC Hunt test in June, needing only a single pass to finish. He was moved up to Senior the next day, with an awesome clear run, waiting for the gunner, and his release for retrieve, when another bird wild flushes on his way to the downed bird! Too much for this young dog, so no pass, but couldn't be happier with his performance!

In addition, we brought Mani out as a special for TEVCO and garnered Select Dog over a very nice and large class of specials.

In addition, we brought Mani north to visit our friends in British Columbia, and support their National Specialty. Always a good time with a great

bunch of folks and the wonderful hospitality of BCers! To top the weekend off, Mani took a Select and a BOB at the Sporting Dog Specialties, and a nice BOS at Vizsla Canada Nationals!

## From the Editor's Desk

AKC recently published guidelines for Reproduction of Online Materials Policy which will effect our newsletters as they essentially are not allowing use of their articles without prior written approval. I have followed their published request for authorization and have asked for permission 3 separate times and received no response. The only option I have for including AKC articles at this time is to publish links to their website for users to read. Obviously this does not make for a very interesting newsletter... links for people to check out. SO, since it looks like I will be unable to use AKC articles going forward, because I am unable to get authorization, I am looking for articles from other sources that we CAN include in our next newsletters. Please send me articles that you suggest to include in the newsletter and I will try and get approval to print from their author.

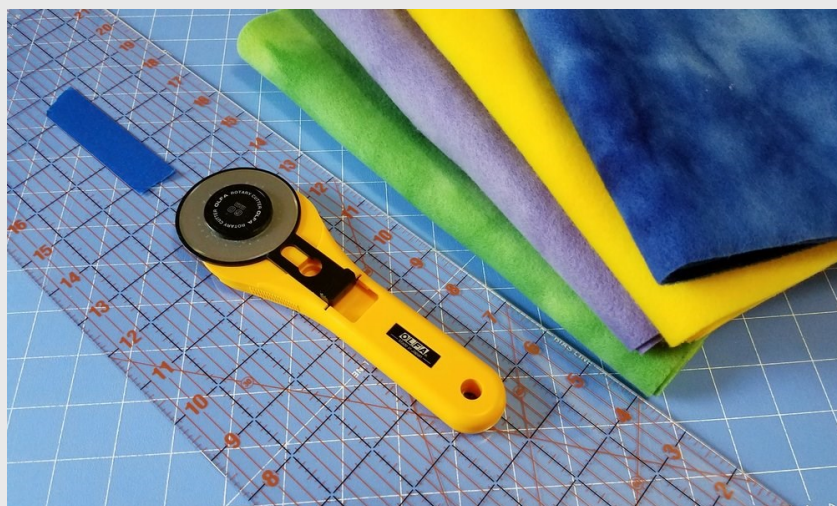

Thank you for your help and submitting material to publish!

# How to Make a Square Knot Dog Tug Toy

## You'll need:

- Fleece fabric, or other slightly stretchy material like t-shirt fabric
- Scissors

Fabric ruler or other way to measure the fabric

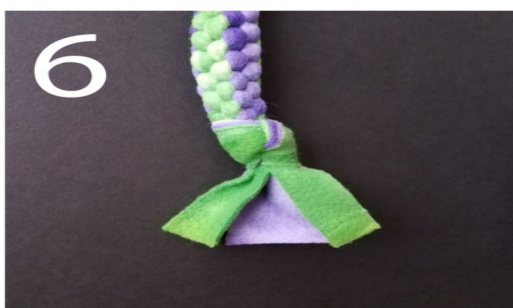

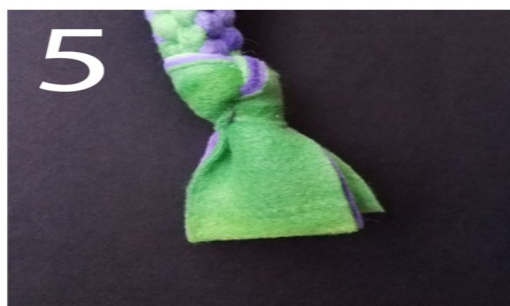

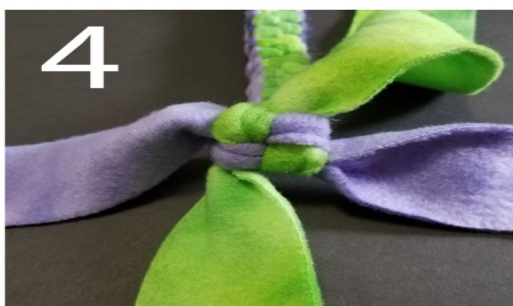

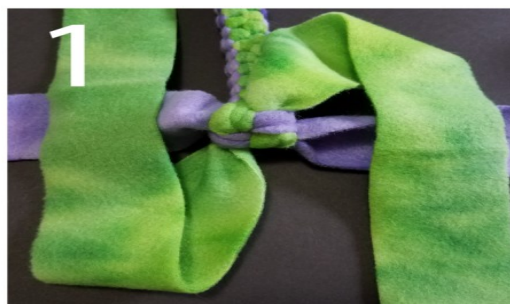

## Here's how:

1. Cut 4 lengths of fleece fabric. About 2" wide and 45" long is ideal for a medium-sized dog.
2. Tie a regular overhand knot at one end, leaving a few inches of fabric as a tail. Pull the knot tight.
3. Tie your square knots:
4. Open your 4 strips into a plus sign shape.
  - \* Fold the top strip towards the bottom, a little to one side, *always the same side as you progress.*
  - \* Fold the bottom strip towards the top, a little to the other side, *always the same side as you progress.*
  - \* Fold the right strip towards the left. Pass over the first strip, then under the second.
  - \* Fold the left strip toward the right. Pass over the first strip, then under the second.
  - \* Pull all of the strips nice and tight.
5. When you've got about 5 inches left, tie off the end with another overhand knot and pull tightly
6. Trim off tails to make them even.
